...mehr als nur Zubehör - Super-Schutz für Ihren Stoßfänger.
 ...more than just accessories - best protection for your bumper.

UlimAir[®] PROTEXOR

Heck- und Ladekantenschutz

Moderne Automobile stehen gut im Lack – auch bei den Stoßfängern, die hinten gleichzeitig die Ladekante bilden. Lackkratzer beim Be- und Entladen sind leider nicht immer vermeidbar. Ärgerlich und ein teures Vergnügen, die beschädigten Stellen auszubessern!

Mit dem Heckkantenschutz von ClimAir wird dieses Problem elegant und praktisch gelöst.

- erhältlich für viele Automodelle bekannter Marken
- optisch an die Heckklappen-Konturen angelehnt
- hergestellt aus schwarzem ABS
- CNC gefräst für eine hohe Passgenauigkeit
- einfache und schnelle 3M Klebmontage - falls möglich - Fixierung auf den Originalbefestigungspunkten mit den Originalschrauben
- leicht verständliche Montageanleitung

UlimAir[®] PROTEXOR

Rear and sill protection

Modern vehicles are well varnished – as well the bumpers, which simultaneously build up the sill. Scratches during loading and unloading are unfortunately not always avoidable. Angry and expensive, to repair the damaged areas!

This problem will be solved elegant and practical by sill protection of ClimAir.

- Available for many well known brands of vehicles
- Optically aligned to the sill contour
- Made of black ABS
- CNC milled for high fitting accuracy
- Simple and quick 3 M glue-assembly – if possible
- Fixation on original mounting point with original screws
- Easy installation instructions
